

## February Greetings!

A new year and changes to the preschool~we are sorry to be saying goodbye to Nicole Filyes as the 4-year-old teacher. She will be moving to Texas with her husband and family. We wish them the best! We would like to welcome our new teacher Martina Weyde, who will take on this new role!

The students have been busy learning to write names, recognize letter and sight words. They recently enjoyed a day at the beach as they came in swimsuits, played in the water and sand; a great way to get away from winter for a day! Currently, enrollment is underway, so continue to let friends, family and co-workers know about Faith's excellent program. Enrollment forms are available on the office door.

### Upcoming fund raisers:

Mark the date of March 19th, from 7:00 am to noon. We will be having a rummage sale to help support the preschool. You may begin to drop off items for the sale beginning March 13th, in the multi-purpose room to the left of the door.

Who doesn't love chocolate and coffee? Well, get yours just in time for Easter! Watch for further updates to get your order in!

Serving Him,  
Pat Filyes ~ Preschool Director
